MEMBERS OF THE BOARD OF EDUCATION are from left: Edmund J. Rea, Christopher M. Moore (Vice-President), Eleanor G. Curry (President), Neal Hertzman (Clerk), and Dr. Richard C. Kaehler.

FORCEFULLY EXPLAINING his point, Dr. Claude E. Norcross (Superintendent of Schools) converses with Edmund J. Rea.

District Administration

Way in the night, when the lights are out, who do you think is still up and about?
The District Administration vetos proposals and passes ideas.
A miniature government with one central body, who's decisions could possibly change the pattern of our school life.
Classes to be, or not to be, that is a question.
An open campus, pay raise, tax raise—what complicated questions they must answer.

LEFT: Mr. David Miller (Assistant Superintendent of Educational Administration), Mr. James Crockett (Assistant Superintendent/Business), and Mrs. Lucile Crain (Special Assistant/Instructional Improvement) discuss future monetary allotments to special programs.

The Administration, our overseers, keeping watch over the flock making sure that none stray away. Keeping law and order among one and all.

Creating rules and regulations, so that all may benefit.

We, like an experiment, are mice, conditioned to work at the sound of a bell. One bell to get out of class, another to resume work. But this experiment comes out right in the end, graduation, or in the animal world, the mouse escapes.

AS CHIEF ADMINISTRATOR of Palos Verdes High School, Principal Edward C. Moore has numerous responsibilities relating to every aspect of school management. He oversees all school operations, some of which include handling discipline problems, constructing a budget, evaluating teachers and conferring with parents.

ABOVE: Dean of Students Daniel Boone deals with matters of student discipline and enforcement of school rules. RIGHT: Director of Student Activities James Kinney works with Senior class President Phil Hogan as one of his proposals.

ABOVE: Assistant Principal Donald Hagen reviews athletic schedules for arranging bus transportation. RIGHT: Assistant Principal Ronald Rudolph evaluates classes in dealing with members of the Student Curriculum Forum.

ABOVE: Office Staff, FROM LEFT: Maxine Daniels, Jean Lucas, Virginia Thurston and Caryl Krug. RIGHT: Attendance and Guidance Staffs, FROM LEFT: Gerda Winkler, Kathryn Uruburu, Margery Weeks, Mary Wyatt, Delia Webb and Ruth Rea.

THE COUNSELORS' OBJECTIVE of understanding students' needs is a difficult one. FROM LEFT: Mr. Alvin Borne, Mr. Richard Selway, Mrs. Patricia Hearn, Mr. Joseph Cunningham, Mrs. Gertrude Wood, Mr. Donald Brough, Mr. Richard Pierce and Mr. Ray Jenks.

ABOVE: Financial Secretary Lois Dotson reviews the books on the day's sales. BELOW: Librarian Mary Pietro asks a student his opinion on the library's new book selection.

EXAMINING A STUDENT for signs of senioritis and related diseases of the mind and body is Nurse Virginia Wilson.

"Please, just a little cough drop!
I promise, I'm not addicted!" and
other such quaint requests were heard
daily by personnel in the Health Office.

Not to be forgotten are the heroic performances put in by counselors, and office staffs, for courageous upholding of stations.

A not so hysterical form of office work was admirably executed by the staff of the Attendance office.

And finally, students appreciated the availability of a Student Store.

Groundsmen, Cafeteria

An important part of school has always been the food department and school maintenance. To fill these roles were the cafeteria employees and the groundsmen.

Selling quantities of candy, cookies and cokes, the Snack Bar exhausted its supply; students battled in the cafeteria to secure 55¢ lunches, among other things.

And diligent work was put in by the Groundsmen, retrieving any and all unidentified lying objects.

> RIGHT: Cafeteria Employees, FROM LEFT: Barbara Geiser (mgr.), Mary Crum, Beverly McNultey, Ruth Gregory, Francis Crum, Hazel von Asdel, Lucille Belt, Adele Prior and Mae Young.

Dangling participles, strings of adverbs, and conjugations were diligently taught to English classes, and there are absolutely no prejudice shown to a word of any tense, pronunciation or spelling.

Three years of English are required—perhaps, not required, except for the student who wishes to graduate. And, while accumulating 30 credits, students discovered dictionaries, a thesaurus and an English instructor.

Behind certain assorted doors were lively discussions of such enthralling subjects as: Tr² and angle A is congruent to angle Z.

For the mere enrolling in a math course, students surrounded themselves with the miracles of mathematics; these secrets were cautiously handed down to pupils by able, willing math teachers. Not only were students involved with new knowledge, they had their choice of teacher.

Where did you learn daily of other countries—whether you wanted to or not? The secrets of German, Spanish and French customs were revealed constantly—during periods one through six—familiarizing students with a people.

The majority of the "population" of PVHS was enrolled in a foreign language. Due to this fact, others not enrolled were dazed by practicing students who were spewing unknown verbal formations.

Boys' P.E.

Jovial coaches abound, as they either urge their team on to victory, or insist they try harder, or both.

Coaches spent their time "exercising their bodies as well as their minds" and all coaches were sure their students were enjoying every moment of it.

Coaches passed the time of day by occupying their regular Physical Education classes, and improving the playing power of the various teams. The most famous of all being FOOTBALL.

Girls' P.E.

On most mornings, you may have seen groups of girls rasping around the 440, thinking of their blissful moment of collapse.

Girl's PE "coaches" all realized how desperately girls enjoy running about the track-or swimming it on the rainier mornings-and the other activities girls thrive upon, I.E.: Soccer, Football, Paddle handball, and a carousel of others.

And, as the girls came wheezing in, they knew they could rely on a cheery "That wasn't so bad, was it?"

Technical Arts

After months of laborious efforts, students enrolled in Technical Arts classes gratefully reaped the benifits of their work.

Pouring from the doors of these classrooms were new and different inventions, (i.e., cutting boards, pencil holders.)

Instructors assisted students in the construction of their items, and most likely, the instructor also warned his students of the possibly overhungry machines.

Arts and Crafts

Art: an expression of oneself. The outer limits of our minds touched only by our many creations. Pottery, sculpting and sketching fill many notebooks to give the artist a feeling of accomplishment (and a grade).

Modern art: a picture—a tree to one, an idea, a moral, a feeling to another.

Classical art: a picture from the past. Moods, subjects and ideals seemingly different from today.

Performing Arts

Unleashed feelings of expression are present as students portray others as themselves. Slipping into the relm of make-believe, they enter a different time, place and setting to create, for the audience, an imaginative and extraordinary experience. Fancy and frilly costumes flutter across the stage to dazzle the already enraptured audience.

Business Education, Work Experience

Typing is...

. . . Learning a whole new vocabulary of words you made up.

. . . Learning how many different ways you can spell your name.

... Learning how to write something so everyone can read it. (Now the only problem is you have to learn how to spell.)

. . . Learning a skill you can use forever . . .

Conjuring up concoctions to tantalize the tastebuds, creative cookery is in the minds of the students. Recipes and rules, teaspoons and oven temperatures were gladly followed by the unwieldy and unknowing student. But nothing is perfect. Though a burnt muffin and an undercooked cookie may seem like a like a big ordeal, the student who has created this "master piece" is all but enthralled by the results. These luscious foods can only be truly enjoyed by the creator.

Senior Class concludes exciting year

The spirit and enthusiasm of the Senior Class was exemplified by the superbly built Senior Float entitled "The Sting." The precision built structure easily won first place. Energy from the Seniors, however, was not only released during Homecoming, but also at such functions as the highly successful Senior Show and the spiritually rewarding Cans-for-Kids drive.

Aside from the usual activities and privileges

bestowed upon Seniors, the Class of 1975 was given the option of taking second semester Physical Education as an elective. This enabled Seniors to broaden their schedules.

The Seniors of 1975 celebrated their graduation from High School by following such traditions as the Junior-Senior Prom, the Senior Mother's Tea, Senior Day, Baccalaureate and Graduation exercises, and Disneyland Grad Night.

Every year the junior class holds a car wash. This year was no exception. Juniors washed with TLC (tender loving care) the many cars which entered the confines of the senior parking lot.

Also the Class of '76 held a bake sale. Pies, cakes and cookies were laboriously baked, and sold at Moore's Market in Malaga Cove. This money will go towards the financing of the Junior-Senior Prom which is held each year.

Float building also occupied much time in the lives of the Junior class. The theme for this year's float was M*A*S*H and featured a hand "mashing" the Rolling Hills football team. The juniors worked very hard.

KEYETTE WITCH Mary Lou Ernaga cackles as Junior Nancy Ferrero decides on a delicious Daffy Apple to satisfy her insatiable hunger until lunch period.

Starting off the year with great enthusiasm, the Sophomore class entry in the Homecoming Float contest placed second. The theme, "Ship of Fools," featured the "SS Titanic" as it hits an iceberg crowned accordingly in red, white and black.

Preparations for the annual Soph
Doll Stomp, the main fund-raising
event, kept Sophomores busy, as profits
from concession sales during
athletic events provided a secondary
source of increasing the class' treasury.
Commenting on the Sophs' steady
participation, Sophomore Class President
Jodi Goetz stated, "The class, as
individuals, were truely united."

Under the sponsorship of Mary Markytan and Gary Hale, the Freshmen relinquished their title of "Newcomers" as they became involved with class activities and learned of the many facets of high school. The class proved to be unified and produced huge turnouts at all meetings.

Activities provided something for everybody. Bake sales, concessions, a car wash and dance acted as fund raisers, as float-building and carnival participation aroused more excitment.

President Melissa Decker stated, "We have made a great effort and will be remembered as a great class."

Student participation proves interest

The Class of '75 selected "The Sting as its float theme and won the float competition for the first year. "M*A*S*H," "Ship of Fools" and "Born Losers," were the other popular movie titles carried out by the Junior, Sophomore and Freshmen Class floats, respectively.

A slow bicycle race, saw horse race, pillow fight, rooster crowing contest, grape eating contest and Kan Kan competition were some of the activities sponsored to promote spirit during the week.

A water balloon toss, planking and shoe races, yelling contest and the traditional parade of floats and princesses were held Friday, just a few hours before the varsity football team's victory over Rolling Hills High School, 10-3.

To carry out the Homecoming theme of "That's Entertainment," the multi-purpose room's walls were decorated with posters of movies and their stars which complemented the formal theme of "The Premier." A many faceted globe of mirrors reflected light throughout the room causing the randomly placed stars to have a twinkling effect.

Prior to the formal, the football, water polo and cross country teams with the Assembly selected a total of eighteen Homecoming queen candidates. This group was narrowed down to five by judges at the Homecoming Tea. The girls were rated in three areas: beauty, poise and personality.

Finalists were formally presented to the entire student body for a vote. The mystery ended when Judy Salter received her bouquet of roses and was crowned by ASB President Steve Longley as the 1974-75 Homecoming Queen

South Pacific staged by peninsula personnel

After weeks of rehearsal, more than 200 peninsula students performed in the broadway musical "South Pacific" under the direction of Mr. Phil Nash. John Hogue played Emil D'Becque, a french planter; Sally D'Evelyn starred as Nellie, a nurse in the navy; Tony Galleran portrayed Lt. Cable, a lieutenant in the navy; Brent Shaphren played Cmdr. Brackett, a commander in the navy; Lori Carle appeared as Bloody Mary, a native of Bali Hai and trader of island goods with the military.

Highlighting the show was the song "Some Enchanted Evening." Vocal numbers included "Nothing Like A Dance" and "Wash That Man Right Out'a My Hair." Mr. Don Marino conducted the orchestra while Mr. Gary McRoberts conducted the choral segments of the show.

Leadership camp keeps new government alive

A group of Palos Verdes High School students trucked up toward Camp Cumorah Crest in the San Bernadino Mountains with a purpose to fulfill when they arrived — to plan out the 1974-75 activities and to familiarize members of the new student government with each other and their responsibilities. They spent most of their time brainstorming for ideas for themes, concerts, Creative Thought Day and the general improvement of the system. This trip has become an annual event.

Getting into the season of things, many students attended the Christmas Formal. This Girls' League sponsored event was held according to the theme of "A Christmas Carol."

Drama III revives 'You Can't Take It With You'

The first major production put on by Drama III, was the fall musical, "You Can't Take it With You." Under the direction of Mr. Phil Nash, and with the help of the stagecraft crew, the Drama III class put on a superb performance.

The musical concerned a family living in the 30's or 40's and all the crazy things that went on in their household.

The main characters in the play were: Grandpa, played by Bruce Hale, and Penny Sycamore, played by both Danese Cocke and Jane Shulman.

Grandpa is the type of person who makes firecrackers, goes to commencement exercises at college and hasn't paid his income tax since 1915. And last but not least is Mrs. Penny Sycamore, who spends her time writing plays.

Some of Palos Verdes High School's best talent turned out to audition for the chance to give a good time to students of Harlan Shoemaker, a school in San Pedro for mentally and physically handicapped children, ranging in age from 2-13 years.

The show consisted of a series of short skits, acts and musical performances organized by Melinda Smith and Barby May. Nineteen acts were chosen by the Assembly to appear in the show. Some of the acts chosen were a juggling act, a Rag Doll Ballet, a skit called the "Christmas Present" and one titled "The Grinch That Stole the Magic Chevy."

Of course Santa Claus was there. He was played by our own jolly, Mr. Ed Moore. Students served refreshments to the children and concluded with an hour of playtime.

The annual Donkey Basketball game ended with another faculty victory, 50-44. The Lettermen's sponsored event produces funds for Special Olympics and the purchase of athletic equipment.

One half of the game was played by girls from the pep squad and female faculty members, while the second half involved a clash between Lettermen and male faculty members. The rules of the game were that players remain seated on their donkeys when passing and shooting.

By racking up eight points in the first half, coach Peter Fawaz earned the title of high scorer. Other faculty contributers included coach John Barr and coach Joe Kelly. The students held on with the help of Paul Sweeney, Bernie Lyons and Marina Schiff.

Storybook Theater, presented by all drama classes, was an improvisational production presented on ten Thursday afternoons throughout the year.

The stories were performed for kindergarten and elementary school children for their entertainment. Students relayed original stories of their own, assuming many different character roles. The production included fairy tales and fables such as "Rapunzel," "Hanzel and Gretel," and a satire on "The Three Little Pigs."

The spring musical, "Oklahoma!," was presented by the Performing Arts Department on three successive weekends in February and March. Director Phil Nash was assisted by instrumental music director Don Marino, choral director Gary McRoberts and technical director Chip Hipkins. Mrs. Carolyn Babbidge choreographed the outstanding ballet and tap dance numbers.

The turn-of-the-century story focuses on cowboy hero Curly (Wade Reynolds) and farm girl heroine Laurey (Karen Denson). Other major characters were Jeff Roberts as Jud Fry, Danese Cocke and Peggy Lynch double cast as Ado Annie, Jane Schulman as Aunt Eller, Jeff Miller as Will Parker, Bruce Hale as Ali Hakim and Matt Cunningham as Andrew Carnes.

"THAT'S ABOUT as far as we can go", exclaim the town's people in the dance "Kansas City."

Juniors and seniors participated in the fifth annual Creative Thought Day, held March 12. Each student was able to attend five self-chosen seminars on special interests or careers. On the preceding day, upperclassmen completed packets containing information on the seminars.

Students visited demonstrations, speeches and discussions. Seminar topics included Chinese boxing, acupuncture, foreign affairs, ventriloquism, modeling, forestry, socialsim, karate, law, electronic music, economics, endangered species, dance, rock 'n roll, transcendental meditation and television production. Popular among students was "Olympics," a discussion by Olympic medalist Jim Slatton about the Olympic Games and the required training.

Because of last years difficulties arising from toking, rumors had it that a Ski Club could not exist this year. With the perseverance of former V.P. Rick Watts, a new constitution was developed to guarantee that toking would be totally minimized. The new constitution envisioned three equal chairmen: planning, business and publicity held by Rick Watts, Brian Leeper and Terrie Hawkins respectively.

Four trips this year were arranged to Mammoth Mountain, however two were cancelled due to lack of funds. An excursion to Brian Head, Utah was also proposed, but fell through for lack of participation.

Flash Cadillac shoves nostalgia at P.V.H.S.

Before a near sellout crowd of 1073 enthusiastic students, Flash Cadillac and the Continental Kids, a spirited fifties group, appeared in concert at PV in February. Two other groups, the Chris Darrow Band and Forever, were also on the program.

Flash Cadillac played familiar oldies such as "Rock Around the Clock," and "At the Hop," dressed in the typical fifties attire. They were a stage act as well as musicians. Instruments were played on the floor, upside down, and with their feet. Even the drums were modified, using a hubcap and a "Coors" beer can as rythm producers.

The event was sponsored by the Student Assembly with Steve Longley and Dan Gorham serving as chairmen. According to ASB President Steve Longley, the concert was a definite success as the consensus of the students was good.

ORGANIZATIONS.

Led by the ASB officers, the Student Assembly is the voice of the student body at Palos Verdes High School. The Assembly plans all of the activities including such events as Homecoming, dances and the Christmas show at Harlan Shoemaker.

Through the sale of ASB books, the treasury money is spent toward activities, athletics and academics. The Assembly tries to balance expenditures between the three, so that every student and program benefits. Also, a Memorial Scholarship is awarded to a senior at the end of the year.

Proud to have been cited by KNX as "Citizens of the Week," the Student Body was also awarded the Vision Award last year, for outstanding service.

"The Student Curriculum Forum has been vitally concerned with the goal of improving the environment, the curriculum and the rights of students," stated Adviser Ronald Rudolph. The club worked on a student review questionnaire for the Guidance Program, a poll on smoking which was used in a letter to the State Board of Education and also planned Creative Thought Day. Chairman Dave Fritz commented, "This year's Curriculum Forum has been very active. We investigated a variety of educational issues and proposed several educational improvements for the high school."

Through many long hours of assembling the 1975 yearbook, the staff was able to meet all deadlines. "It's been a hectic year," stated Adviser Mr. Robert Schoenburg, "but all the time and effort put into the making of the '75 Triton was well worth it in order to produce such a fine yearbook." Editor-in-Chief Charlie Stuart added, "We excelled to be more creative in our presentation this year. With the use of more candids, we moved away from a classical approach."

The quality of the Palos Verdes High School Yearbook continues, as last year's book won first place in competition for general excellence at Pepperdine University.

Busy and successful year for expanded Trident newspaper

Editor-in-Chief of the Trident, Dale Huber, led the staff throughout the busy year. Using new equipment and procedures, the Trident staff was able to publish 15 eight-page issues. Mr Robert Schoenberg commented, "The talented staff of writers and photographers, continues to provide an important service to the student body."

Again this year, the Key Club had many activities, both for PVHS and our nearby areas. The club helped the school by cleaning up the benches, selling Christmas trees, buying gifts for children at the U.S.C. Medical Center and taking the San Pedro Boys Club on field trips. They participated in the Convention for Exceptional Children.

Lettermen's Club was also very active. They bought three pole vault poles and helped resurface the tennis courts for the school. They raised the money from the Donkey Basketball game, a dance, and the popcorn and freezy machines. They also donated eight Saturdays to work with retarded children.

Girls' service clubs provide aid to nearby communities

KEYETT BARB CAMPBELL dressed in her witches costume, holds securely onto a box of candy apples, as Mr. Fawaz takes his choice of the delicious apples.

"Keyettes is a service club which serves people who need our help," commented President Dorothy Wooten. They proved this in many ways. They held a Halloween party for children of working parents, baked food for the Homecoming formal and gave two Christmas parties for poor children. Each member made stuffed animals which were distributed among the children. Keyettes also sponsored the successful drive for eye glasses for the organization New Eyes.

"S" Club and Spartans also did many kinds of services, such as going to Toberman House to teach children dancing and sports, visiting rest homes and having bake sales.

The PV Marching Band and Attached Units, besides playing at football and basketball games, performed in many parades. Under the direction of Mr. Don Marino, the band came home with such honors as a first place trophy at Lomita, a third at Chino and the drums received a very good score at the Santa Monica El Primero Review. They also performed at Disneyland and participated in the May Time Band Review. To raise the money for their trips, they sold spook insurance at Halloween, had a car wash and a fruit cake and bake sale.

While providing enjoyment to students, the orchestra played at Harlan Shoemaker and performed with Long Beach Poly HS in a combined concert.

'Make a Joyful Sound,' suggests vocalists

CAPTURING THE MOOD OF THE SONG, Dawn Decker, Kathy Sepke and Sue Maughan sing out in a rehearsal for the annual Christmas concert.

Sun Machine, Chorale and A Cappella are honorary singing groups; acceptance of members is by auditions. The student must be able to read music and, of course, carry a tune!

Under the direction of Gary McRoberts, the choral groups participated in choral concerts in both the fall and the spring.

"Make a Joyful Sound" was held December 12-13. Many Christmas songs were sung. During the concert, all groups performed. Each group has a different costume so anyone can identify each choral group. Every year they make different costumes. Renaissance Singers, adorned in the garb of the 16th century, performed along with the other choral groups in concerts and contests.

The Renaissance Singers sang all their songs in Latin. Many of the members are also in other choral groups as well.

Mixed Choir is open to all students of each grade level. It is a "training ground" for future members of the more advanced choral groups.

This is Gary McRoberts second year at PVHS. He directs all the choral groups during his busy day. We look forward to many more years of his faithful service in the many years to come.

They provided back up vocals for the finale, which included "Shepard Me, Lord," as the last song of the evening.

Crafts Club; its goals-to interest students in crafts, and to be a type of social club. Both of these aims were met.

Students worked at the creating of art continously throughout the school year, with an end result in mind: for the work to be sold at one of the numerous crafts sales. After putting in careful hours of effort reap the benefits of their yearlong vigil. The money gained from the sales is used for either field trips, such as the one taken to the UCLA Sculpture Gardens or put into the Crafts Scholarship fund.

The Tradewinds staff, calmed and supervised by Romayne Dowd, worked hard and long to put out the 13th edition of Tradewinds magazine, at the price of 75 cents.

Bowling Club cautiously rolls its way to victory

Hollywood Bowl Dancers were, in one year, transformed from the average, everyday type of 'clod' into "skilled, unique and interesting" jazz dance creators. To have these performances as near "perfection" as possible, rewarding hours of rehearsal were spent on each movement.

This was the Hollywood Bowl Dancers' 10th year to perform in the Hollywood Bowl. This dance group has presently achieved the rating of "most appearances" at the Hollywood Bowl.

Money earned by the Hollywood Bowl Dancers is used for a number of things. They were mainly the cost of printing tickets, buying shoes and materials, and buying special types of leotards.

Orchesis distorts members in dance

Having twisted themselves into fetal positions, members of Orchesis gain time to look "reminiscently back" and discover a list of accomplishments.

Orchesis displayed its talent in a collage of ways; through competitions, invitations programs, and an annual "dance concert."

From some of the performances, Orchesis aquired a "bank account" to be used for operational purposes and scholarships for the students.

One of the purposes of Orchesis is to defeat uncoordination; i.e.: to increase "skill, grace and charm." Another goal is to nurture a genuine interest in dance.

Under the leadership of Senior Scott Watson, the JV team took first with a perfect 7-0 record through the Bay League's rough competition.

The Sophs had a tougher time losing their first league meet closely to crosstown rivals RH. With Jack Wiggins leading them, the harriers did not lose again until the finals, taking second only to North High, creating a three way tie for first.

Led by Bay League's most valuable freshman, Jimmy McManus, the Frosh championship was never really in doubt after the first meet. With Drew Tollife continually improving, the Frosh demolished all opponents.

Tryouts were held in February to select the 23-player golf team. there would never be enough room to thank the TRITON. '75 staff completely. you all know who you are and what you have done to create this publication. as time goes on, and it surely does, you will be able to pick up this book, and each one of you may say, "i made this possible."

remember the fun times—working after school and on weekends, trying to meet deadlines? or hunting for grease pencils? i'm sure there was someone who devoured each one that could be located. remember queebe sheet hunts? no one ever seemed to know where it was. i'll never forget the looks we got from outsiders who ventured in and heard us talking about queebes, smues and fonts.

remember the humans who dropped in to visit us, and walked—no, crawled out with nervous breakdowns. what about the musical stomach game? the loudest growler got to be fed first. then there was yearbook publication vocabulary which consisted, mainly, of one sentence, "i dunno!" so much has happened, so many zekenoid maneuvers, and not only plain zekes, but double, triple, and quadruple zekes were pulled.

there isn't enough time to go into all of the things we've done or fun that we've had, but i know you'll never forget what has probably been the most entertaining year of your lives. you have created the TRITON '75.

i sat alone
the sun revealing
its mystical eye,
dribbling farther
to the sea.
the Dominator cried
within,
and the waters of
a dying sea
lapped among the rocks.
